Will he be able to do this without the help of his unlikely new MI6 ally, Alfred Pennyworth? And how do his childhood friends—Edward Nygma, Waylon Jones, Harvey Dent, and Oswald Cobblepot (among others)—play a crucial role in Batman’s legacy as Gotham’s Vigilante?

Absolute Batman’s first story arc, “The Zoo” concludes with this larger-than-life story, while introducing a few new elements to come in arc 2. You’d have to be *Absolutely MAD* to miss it!

I've been holding in all my very worst bits of bubble guts for the last 32 years, and it's all been leading up to this epic expulsion! Your nose will never be the same! You'll gag, you'll cry, you'll feel things you ain't never felt before! This fine publication is a celebration of all things passed, pre-scent, and toot-ure. Sequential art's place in the annals of history is about to

change with the release of the *Harley Quinn Fartacular: Silent Butt Deadly*, a comic that promises to have the highest concentration of gas per page (GPP) ever committed to print. Emphasis on committed, because everyone who worked on this comic is getting thrown into Dr. Fartley's Home for No-Good Gassy Gals 'n' Guys. Read the comic that Abraham Lincoln called "a joy from fart to finish" moments before he died!

WARNING: We aren't kidding. If you are grossed out by farts, then this comic isn't for you (and that's perfectly okay!...though I am judging you!). Unless you want to put your feelings to the test...in which case this comic is for you.

special event only happens once every 20 years, but this Bonding Day is unlike any other because this is the year when Princess Diana—the only teenager on Themyscira—will choose a kanga for the first time.

Jumpa has been training hard to compete in the Tournament of Kangas, where all the kangas get to show off what they can do. She knows she has what it takes to match with the princess. The only catch is her friends Skippa, Rooth, Goldie, and Big Red are all determined to do the same—and the competition is fierce.

When Ares arrives on the island with a threat that forces the festivities to be canceled, Jumpa must convince her friends to work together for the good of Themyscira and to protect the princess they admire.
